她說 – 鏡頭下的少數族裔香港女性

[She says - Photographing Ethnic Minority Women of Hong Kong] is a series of portraits and stories of 17 women from all walks of life who have intricate relationships with Hong Kong, a place that most of them call home. We set out to unfurl stereotypes and tell the life stories of these women, and what we uncovered is picture upon picture of courage, compassion, strength and grace. "Women are very strong by nature. A woman can handle many things and achieve many things," said one of the women.

【她說－鏡頭下的少數族裔香港女性】透過十七位香港少數族裔女性的相片和故事，她們訴說對生活堅毅而自信的想法，流露出溫暖而硬朗的特質。希望本相冊可促進社會對少數族裔人士的互相理解，拋開過往對少數族裔單一定型的定型，重新認識每一位令香港社會文化更豐富的個體。
